Dear Assoc. Prof. Dr. Sarintip Tantanee

The Association of Universities of Asia and the Pacific (AUAP), in collaboration with the Master's Institute Development Academy & Seminary-MIDAS, is pleased to announce the 2nd AUAP Asia Pacific Student Summer Program (APSSP), scheduled to take place from July 23 to 25, 2026, in Phuket, Thailand. This year's program will be held under the theme: "Creating Scalable Solutions for a Sustainable and Inclusive Tomorrow"

The Association of Universities of Asia and the Pacific (AUAP) warmly invites outstanding students and emerging youth leaders to join the AUAP Asia Pacific Student Summer Program (APSSP) 2026—a transformative three-day experience set against the stunning backdrop of Phuket, Thailand.

Under the inspiring theme *above* aims to spark bold ideas, empower future-ready leadership, and strengthen global citizenship among young changemakers from across the Asia-Pacific and beyond.

Program Goals

- 1. Cultivate adaptive, future-ready leaders .
- 2. Ignite sustainable and inclusive innovation
- 3. Foster active global citizenship
- 4. Encourage meaningful cross-sector collaboration

Modules 1 & 2: The Future of Global Leadership & Designing Sustainable Innovation. Participants will explore leadership in times of change and co-create tech-driven solutions to real-world challenges while Modules 3 & 4 centered to policy, partnerships & planet – youth action studio & leadership showcase. Students will collaborate with global mentors to explore sustainability policy and partnerships, then pitch innovative solutions.
